IMPORTANT NOTICE TO POLICYHOLDERS

Do you have enough insurance on your building?

If your commercial building were damaged or worse, destroyed, would your insurance limit be sufficient to fully repair or rebuild the structure?

When you consider the ever rising costs of labor, construction materials and supplies, the impact of overall inflation, and the value of any improvements you've made to your property, it's quite possible your level of coverage is no longer adequate.

It is *your* responsibility to insure to value.

While Harleysville's insurance products offer comprehensive protection for business owners, if your property is insured at less than 100 percent of its replacement cost (or, where applicable, actual cash value), you assume the risk of not being fully insured if you have a loss.

To make certain your building coverage limits are - *and remain* - adequate, we strongly encourage you to review your coverage with your agent. You also should consider obtaining an appraisal or an estimate from a contractor annually, or as needed.

We appreciate the opportunity to insure your property, and look forward to continuing our partnership with your business and your independent Harleysville Insurance agent to protect your interests *fully*.

Note: In the event of a claim, Harleysville Insurance reserves all of its rights under the policy to make its own independent determination of replacement cost or actual cash value in applying the co-insurance provisions of the policy.

Under that program, the United States pays 85% of insured losses for "certified terrorism loss" that exceeds the statutorily established deductible that "we" retain. However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act, as amended, exceed one hundred billion dollars in a Program Year (January 1 through December 31), the Treasury will not make payment for any portion of the amount of such losses that exceeds one hundred billion dollars.

If the Secretary of the Treasury determines that the aggregate amount of "certified terrorism loss" has exceeded one hundred billion dollars in a Program Year (January 1 through December 31), and "we" have met "our" insurer deductible under the Terrorism Risk Insurance Act, as amended, "we" will not pay for any portion of "certified terrorism loss" that exceeds one hundred billion dollars. If the "certified terrorism loss" exceeds one hundred billion dollars in a Program Year (January 1 through December 31), losses up to one hundred billion dollars are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury under the Terrorism Risk Insurance Act, as amended.

EQUIPMENT BREAKDOWN COVERAGE PART

Coverage provided under this coverage part is also subject to the "terms" and conditions in the Commercial Output Program – Property Coverage Part under the sections titled Agreement, Definitions, Property Not Covered, What Must Be Done In Case Of Loss, Loss Payment, and Other Conditions. Reference to Equipment Breakdown Schedule or schedule in this coverage part means the Equipment Breakdown Schedule or the "schedule of coverages".

ADDITIONAL DEFINITIONS

Some of the following definitions may not appear elsewhere in this coverage part, but may appear in the Equipment Breakdown Schedule.

1. "Boilers and vessels" means:
 - a. Boilers, including attached steam, condensate, and feedwater piping; and
 - b. Fired or unfired pressure vessels subject to vacuum or internal pressure other than the static pressure of its contents.
2. "Production machinery" means machines or apparatus that process or produce a product intended for eventual sale. This includes all component parts of such machine or apparatus and any other equipment used exclusively with such machine or apparatus.
3. "Suit" means a judicial proceeding that has been set up to determine liability and damages for loss to property of others consisting of covered property that is in "your" care, custody, or control. Judicial proceedings also includes arbitration proceedings that "you" may be required to submit to.

COVERAGE

Property Damage – "We" cover direct physical loss or damage to covered property caused by or resulting from an "accident" to "covered equipment" at "covered locations". When used in this Equipment Breakdown Coverage Part, the term "covered equipment" includes "computers". The term covered property as used in this coverage part means the types of property described under the Property Covered section of the Commercial Output Program – Property Coverage Part as well as the covered property described in the Supplemental and Supplemental Marine Coverages.

ADDITIONAL PROPERTY NOT COVERED

In addition to the property identified under the Property Not Covered in the Commercial Output Program – Property Coverage Part, the following additional property is not covered:

Animals – "We" do not cover animals, including but not limited to:

- a. birds and fish;
- b. animals owned by others and boarded by "you"; and
- c. animals "you" own and hold for sale.

COVERAGE EXTENSIONS

If indicated on the Equipment Breakdown Schedule, the following additional coverages also apply to direct physical loss or damage to covered property caused by or resulting from an "accident" to "covered equipment" at "covered locations".

The most that "we" will pay for loss arising from any "one accident" is the amount indicated on the schedule for the applicable Coverage Extension. If two or more "limits" apply to the same portion of a loss, "we" will only pay the smaller "limit" for that portion of the loss. Except as otherwise provided, the "limits" for the additional coverages are a part of, and not in addition to, the Property Damage Limit.

1. Income Coverages

- a. **Coverage** – If a "limit" is indicated on the Equipment Breakdown Schedule, "we" provide the coverages described below during the "restoration period" when "your" "business" is necessarily wholly or partially interrupted as a result of an "accident" to "covered equipment".

This coverage applies only when the "accident" to "covered equipment" occurs at "covered locations" or in the open (or in vehicles) within 1,000 feet thereof.

If "you" lease, rent, or do not own the building "you" occupy, for the purposes of determining an Income Coverage loss, "your" location is the space that "you" lease, rent, or occupy, including but not limited to:

- 1) all passageways to "your" location within the building; and
- 2) "your" business personal property in the open (or in a vehicle) within 1,000 feet.

- b. **Coverage Options** – Coverage options include:

- 1) Earnings, "rents", and extra expense.
- 2) Earnings and extra expense.
- 3) "Rents" and extra expense.
- 4) Extra expense only

Earnings includes "rents" when option 1. is selected. Earnings means only "rents" when option 3. is selected.

- c. **Earnings** – "We" cover "your" actual loss of net income (net profit or loss before income taxes) that would have been earned or incurred and continuing operating expenses normally incurred by "your" "business", including but not limited to payroll expense. The net sales value of goods that would have been produced is included in net income for manufacturing risks.

- d. **Extra Expense** – "We" cover only the extra expenses that are necessary during the "restoration period" that "you" would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from an "accident" to "covered equipment".

"We" cover any extra expense to avoid or reduce the interruption of "business" and continue operating at a "covered location", replacement location, or a temporary location. This includes expenses to relocate and costs to outfit and operate a replacement or temporary location.

"We" will also cover any extra expense to reduce the interruption of "business" if it is not possible for "you" to continue operating during the "restoration period".

To the extent that they reduce a loss otherwise payable under this Coverage Part, "we" will cover any extra expenses to:

- 1) repair, replace, or restore any property; and
- 2) research, replace, or restore information on damaged "valuable papers" or "data records".

- e. **Period of Loss Extension After Business Resumes** – "We" extend "your" coverage for earnings to cover loss from the date the covered property that incurred the loss is rebuilt, repaired, or replaced until:

- 1) the end of 30 consecutive days (unless otherwise indicated on the schedule); or
- 2) the date "you" could reasonably resume "your" "business" to the conditions that would generate the earnings amount or "rents" that would have existed had no loss or damage occurred, whichever is earlier. This does not increase the "limit".

2. **Expediting Expenses** – "We" pay the reasonable extra costs to expedite permanent repairs or replacement and make temporary repairs to damaged covered property.

3. **Pollutants** – "We" pay for the additional cost to repair or replace covered property because of contamination by "pollutants". This includes the additional expenses to clean up or dispose of such property.

Additional expenses mean those beyond what would have been required had no "pollutants" been involved.

"We" will also pay for additional loss as described under Income Coverages caused by contamination by "pollutants", if this coverage is also indicated on the Equipment Breakdown Schedule.

EXHIBIT A

4. Spoilage – "We" pay for "your" loss or damage to "perishable stock" due to:

- a. changes in temperature or humidity resulting from an "accident" to "covered equipment" at a "covered location" including but not limited to the refrigeration system or the equipment or apparatus controlling the refrigeration system.
- b. refrigerant contamination from the release of refrigerant, including but not limited to ammonia, and caused by or resulting from an "accident" to "covered equipment" at a "covered location".
- c. changes in temperature or humidity resulting from:
 - 1) complete or partial lack of electrical power; or
 - 2) fluctuation of electrical currentcaused by or resulting from an "accident" to equipment owned by a utility who provides "you" with electrical power. The equipment must meet the definition of "covered equipment" except that it is not covered property.

When selling price is indicated on the Schedule of Coverages - Commercial Output Program, the value of "perishable stock" will be based on the selling price less all discounts and unincurred expenses. If selling price is not indicated, the valuation of "perishable stock" will be based on the applicable valuation as indicated in the Commercial Output Program - Property Coverage Part.

5. Ordinance or Law

- a. **Undamaged Parts of a Building** – When an "accident" to "covered equipment" at a "covered location" occurs, "we" pay for the value of undamaged parts of a covered building or structure that is required to be demolished as a result of the enforcement of any ordinance, law, or decree that:
 - 1) requires the demolition of undamaged parts of a covered building or structure that is damaged or destroyed by an "accident" to "covered equipment";
 - 2) regulates the construction or repair of a building or structure, or establishes building, zoning, or land use requirements at a "covered location"; and
 - 3) is in force at the time of loss.

"We" do not cover the costs associated with the enforcement of any ordinance, law, or decree that requires "you" or anyone else to test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize or in any way respond to or assess the effects of "pollutants".

b. Increased Cost to Repair and Cost to Demolish and Clear Site

- 1) **Increased Cost to Repair** – When an "accident" occurs to "covered equipment" at a "covered location", "we" cover the:
 - a) increased cost to repair, rebuild, or reconstruct damaged portions of a covered building or structure; and
 - b) increased cost to repair, rebuild, or reconstruct undamaged portions of a covered building or structure whether or not those undamaged portions need to be demolished; as a result of the enforcement of any building, zoning, or land use ordinance, law, or decree which is in force at the time when the "accident" to "covered equipment" occurs at a "covered location".If a covered building or structure is repaired or rebuilt, it must be intended for similar occupancy as the current property, unless otherwise required by building, zoning, or land use ordinance, law, or decree.

"We" do not cover the increased cost of construction until the covered building or structure is actually repaired or replaced and unless the repairs or replacement are made as soon as reasonably possible after the loss, not to exceed two years.
- 2) **Cost to Demolish and Clear Site** – "We" cover the cost to demolish and clear the site of undamaged parts of the covered building or structure that is damaged or destroyed by an "accident" to "covered equipment". The demolition must be a result of the enforcement of a building, zoning, or land use ordinance, law, or decree that is in force at the time when the "accident" occurs to "covered equipment".

EXHIBIT A

- 3) **We Do Not Cover** – "We" do not cover the costs associated with the enforcement of any ordinance, law, or decree that:
- a) requires "you" or anyone else to test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize or in any way respond to or assess the effects of "pollutants"; or
 - b) "you" were required to comply with before the occurrence of an "accident" to "covered equipment" at a "covered location", even if the building or structure was undamaged and "you" failed to comply with the ordinance, law, or decree.
- 4) **What We Pay If The Building Is Repaired or Replaced** – If the covered building or structure is repaired or replaced, "we" pay the lesser of:
- a) the amount "you" actually spend to demolish and clear the site, plus the actual increased cost to repair, rebuild, or construct the property but not for more than a building or structure of the same height, floor area, and style; or
 - b) the "limit" indicated on the Schedule.
- 5) **What We Pay If The Building Is Not Repaired or Replaced** – If the covered building or structure is not repaired or replaced, "we" pay the lesser of:
- a) the amount "you" actually spend to demolish and clear the site, plus the cost "you" would have incurred to replace damaged or destroyed property with other property of like kind, and quality; of the same height, floor area, and style; and used for the same purpose; or
 - b) the "limit" indicated on the schedule.
6. **Off Premises Utility Service Interruption** – "We" extend Income Coverages to loss of earnings or extra expenses that "you" incur during the "restoration period" when "your" "business" is interrupted due to the interruption of an off premises utility service when the interruption is a result of an "accident" to "covered equipment" that is not located at a "covered location" and that is owned by a utility, a landlord, or another supplier who provides "you" with:
- a. power or gas;
 - b. telecommunications, including but not limited to Internet access; or
 - c. water, including but not limited to waste water treatment.
- Waiting Period – Unless otherwise indicated on the Equipment Breakdown Schedule, Off Premises Utility Interruption coverage will not apply unless the failure or disruption of service exceeds 24 hours immediately following the "accident".
7. **Defense Costs** – "We" have the right and duty to defend any "suit" brought against "you" as a result of damage to property of others that is in "your" care, custody, or control and is caused by an "accident" to "covered equipment". "We" may investigate and settle a claim or "suit". "We" do not have to provide a defense after "we" have paid the "limit" as a result of a judgment or written settlement. "You" must not admit liability for a loss, settle a claim, or incur expense without "our" written consent. "You" must not interfere with "our" negotiation for a settlement. "We" will pay the following additional expenses associated with any "suit" "we" defend:
- a. Expenses which "we" incur while investigating and defending the "suit".
 - b. Actual loss of "your" salary, up to \$250 per day, for "your" time spent away from work at "our" request.
 - c. Expenses that "you" incur at "our" request.
 - d. All costs that "you" are required to pay as a result of any "suit" "we" defend.
 - e. Interest that accrues after entry of a judgment, until "we" tender, deposit in court, or pay "our" part of the judgment.
 - f. Interest that is awarded against "you" before the entry of a judgment. If "we" make an offer to settle the "suit", "we" will not pay any interest that accrues after the offer to settle.
 - g. Cost of a bond for the release of attachments. "We" are not required to furnish a bond itself.

This Coverage Extension will not reduce the available Property Damage Limit and does not have to be indicated on the schedule.

PERILS COVERED

"We" cover risks of direct physical loss caused by or resulting from an "accident" to "covered equipment" unless the loss is limited or caused by a peril that is excluded.

PERILS EXCLUDED

1. "We" do not pay for loss or damage caused directly or indirectly by one or more of the following excluded causes or events. Such loss or damage is excluded regardless of other causes or events that contribute to or aggravate the loss, whether such causes or events act to produce the loss before, at the same time as, or after the excluded causes or events.
 - a. **Ordinance or Law** – Except as provided under Coverages Extensions - Ordinance or Law, "we" do not pay for loss or increased cost caused by enforcement of any code, ordinance, or law regulating the use, construction, or repair of any building or structure; or requiring the demolition of any building or structure including the cost of removing its debris.
 - b. **Earth Movement or Volcanic Eruption** – "We" do not pay for loss caused by any earth movement or caused by eruption, explosion, or effusion of a volcano. Earth movement includes, but is not limited to: earthquake; landslide; mudflow; mudslide; mine subsidence; or sinking, rising, shifting of earth, or "sinkhole collapse".
 - c. **Civil Authority** – "We" do not pay for loss caused by order of any civil authority, including seizure, confiscation, destruction, or quarantine of property.
 - d. **Nuclear Hazard** – "We" do not pay for loss caused by or resulting from a nuclear reaction, nuclear radiation, or radioactive contamination (whether controlled or uncontrolled; whether caused by natural, accidental, or artificial means).
 - e. **War and Military Action** – "We" do not pay for loss caused by:
 - 1) war, including undeclared war or civil war; or
 - 2) a warlike action by a military force, including action taken to prevent or defend against an actual or expected attack, by any government, sovereign, or other authority using military personnel or other agents; or
 - 3) insurrection, rebellion, revolution, or unlawful seizure of power including action taken by governmental authority to prevent or defend against any of these.

With regard to any action that comes within the "terms" of this exclusion and involves nuclear reaction, nuclear radiation, or radioactive contamination, this War and Military Action Exclusion will apply in place of the Nuclear Hazard Exclusion.
 - f. **Water** – "We" do not pay for loss caused by water. This means:
 - 1) "flood";
 - 2) water that backs up through a sewer or drain; and
 - 3) water below the surface of the ground. This includes water that exerts pressure on or flows, seeps, or leaks through or into a building or structure, sidewalk, driveway, foundation, swimming pool, or other structure.

However, if electrical "covered equipment" requires drying out as a result of the above described peril, "we" pay for the direct expenses for drying out the electrical "covered equipment".
2. "We" do not pay for loss or damage that is caused by or results from one or more of the following excluded causes or events:
 - a. **Wear, Tear, Deterioration, and Corrosion** – "We" do not pay for loss caused by wear and tear, marring, scratching, deterioration, erosion, or corrosion.
"We" do pay for any resulting loss caused by an "accident".
 - b. **Animals** – "We" do not pay for loss caused by animals, including birds, insects, or vermin. "We" do pay for any resulting loss caused by an "accident".
 - c. **Windstorm and Hail** – "We" do not pay for loss caused by windstorm or hail.
 - d. **Fire and Combustion Explosion** – "We" do not pay for loss caused by fire or combustion explosion whether or not caused by or resulting from an "accident".
 - e. **Discharge of Water** – "We" do not pay for loss caused by the discharge of water or other extinguishing agent to fight a fire.
 - f. **Breakage of Glass, Freezing, Collapse, and Molten Material** – "We" do not pay for loss caused by breakage of glass, weather related freezing, collapse, or molten materials.
 - g. **Specified Perils** – "We" do not pay for loss caused by "specified perils". However, this exclusion does not apply to explosion of steam boilers, steam pipes, steam turbines, or steam engines.

EXHIBIT A

- h. **Tests** – "We" do not pay for loss or damage caused by any of the following tests: a hydrostatic, pneumatic or gas pressure test of any boiler or pressure vessel; or an insulation breakdown test of any type of electrical equipment.
 - i. "We" will not pay for loss, damage or expense caused by or resulting from any defect, programming error, programming limitation, computer virus, malicious code, loss of data, loss of access, loss of use, loss of functionality or other condition within or involving "media" or "data records" of any kind unless:
 - a. caused by an "accident", or
 - b. if an "accident" results, we will pay for the resulting loss, damage or expense.
 - j. **Neglect** – "We" do not pay for loss caused by "your" neglect to use all reasonable means to save covered property at and after the time of loss. "We" do not pay for loss caused by "your" neglect to use all reasonable means to save and preserve "covered property" when endangered by a covered peril.
3. "We" do not pay for "your" loss of earnings or extra expenses that "you" incur if one or more of the following excluded causes or events apply.
- a. **Leases, Licenses, Contracts, or Orders** – "We" do not pay for any increase in loss of earnings or extra expenses due to the suspension, lapse, or cancellation of leases, licenses, contracts, or orders. However, "we" do cover loss during the "restoration period" if the suspension, lapse, or cancellation results directly from the interruption of "your" "business".
"We" do not cover any loss of earnings or extra expense beyond the "restoration period" caused by the suspension, lapse, or cancellation of leases, licenses, contracts, or orders.
 - b. **Due Diligence to Resume Your Business** – "We" do not pay for any increase in loss of earnings or extra expenses due to "your" failure to use due diligence and dispatch and all reasonable means to resume "your" "business".

VALUATION

1. **Covered Property** – Unless otherwise indicated on the Equipment Breakdown Schedule, the value of covered property will be determined in accordance with:
- a. replacement cost provisions; and
 - b. items 3. through 9;
- As described in the Valuation section of the Commercial Output Program – Property Coverage Part and is subject to the provisions described below for Environmental, Safety, and Efficiency Improvements and Equipment Utilizing CFC Refrigerants.
2. **Environmental, Safety, and Efficiency Improvements** – If "covered equipment" requires replacement due to an "accident", "we" will pay your additional cost to replace with equipment that "we" agree is better for the environment, safer for people, or more energy efficient than the equipment being replaced, subject to the following conditions:
- a. "we" will not pay more than 125% of what the cost would have been to replace with like kind and quality;
 - b. "we" will not pay to increase the size or capacity of the equipment;
 - c. this provision only applies to Property Damage coverage;
 - d. this provision does not increase any of the applicable limits;
 - e. this provision does not apply to any property valued on an Actual Cash Value basis; and
 - f. this provision does not apply to the replacement of component parts.
3. **Equipment Utilizing CFC Refrigerants** – Air conditioning or refrigeration equipment that utilizes a refrigerant containing CFC (chlorofluorocarbon) substances will be valued at the cost to do the least expensive of the following:
- a. repair or replace the damaged property and replace any lost CFC refrigerant;
 - b. repair the damaged property, retrofit the system to accept a non-CFC refrigerant, and charge the system with a non-CFC refrigerant; or

- c. replace the system with one using a non-CFC refrigerant.

In determining the least expensive option, "we" will include any associated Income or Extra Expense loss. If option b. or c. is more expensive than a., but you wish to retrofit or replace anyway, "we" will consider this better for the environment and therefore eligible for valuation under paragraph 2., Environmental, Safety, and Efficiency Improvements. In such case, a. of that section is amended to read: "We" will not pay more than 125% of what the cost would have been to repair or replace with like kind and quality.

HOW MUCH WE PAY

1. **Insurable Interest** – "We" do not cover more than "your" insurable interest in any property.
2. **Deductible** – If deductibles vary by type of "covered equipment" and more than one type of equipment is involved in any "one accident", the highest deductible will apply. Unless the Equipment Breakdown Schedule indicates that a single deductible applies to all Equipment Breakdown coverages, multiple deductibles may apply to any "one accident".
 - a. **Property and Income Coverages** – Unless otherwise indicated on the Equipment Breakdown Schedule, the Property Coverage Deductible applies to all loss covered by this coverage part, with the exception of those coverages subject to the Income Coverage Deductible as described below.
Unless more specifically indicated on the Equipment Breakdown Schedule, the Income Coverage Deductible applies to
 - 1) earnings, "rents", and extra expense; and
 - 2) service interruption.
 - b. **Application of Deductibles**
 - 1) **Dollar Deductibles** – "We" will not pay for loss resulting from any "one accident" until the amount of loss exceeds the applicable deductible indicated on the Equipment Breakdown Schedule. "We" will then pay the amount of loss in excess of the applicable deductible or deductibles, subject to the applicable "limit" indicated on the schedule.
 - 2) **Multiple of Average Daily Value Deductibles** – If a deductible is expressed as a number times Average Daily Value (ADV), the deductible will be calculated as follows:
The ADV will be the operating expenses that would have been normally earned or incurred during the "restoration period" by "your" "business" had no "accident" occurred divided by the number of working days in that period. Operating expenses includes net income (net profit or loss before income taxes), payroll expense, interest, and other continuing operating expenses.
No reduction will be made:
 - a) for operating expenses not being earned;
 - b) in the number of working days because of the "accident"; or
 - c) for any other scheduled or unscheduled shutdowns during the "restoration period".
 The ADV applies to all "covered locations" included in the valuation of the loss. The number indicated on the Equipment Breakdown Schedule will be multiplied by the ADV as determined above. The result will be used as the applicable deductible.
 - 3) **Time Deductibles** – If a time deductible is indicated on the Equipment Breakdown Schedule, "we" will not be liable for any loss occurring during the specified number of hours or days immediately following the "accident". If a time deductible is expressed in days, each consecutive day will mean twenty-four consecutive hours.
 - 4) **Percentage of Loss Deductibles** – If a deductible is expressed as a percentage of loss, "we" will not be liable for the indicated percentage of the gross amount of loss (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated minimum deductible, the minimum deductible will be the applicable deductible.
3. **Loss Settlement Terms** – Subject to paragraphs 1., 2., 4., 5., and 6. under How Much We Pay, "we" pay the lesser of:
 - a. the amount determined under Valuation;

EXHIBIT A

- b. the cost to repair, replace, or rebuild the property with material of like kind and quality to the extent practicable subject to the Valuation provisions under:
 - 1) Environmental, Safety and Efficiency Improvements; and
 - 2) Equipment Utilizing CFC Refrigerants; or
 - c. the "limit" that applies to covered property.
4. **Coinsurance** – If indicated on the Equipment Breakdown Schedule, specified coverages may be subject to coinsurance.
- a. **Property Damage** – "We" will not pay for the full amount of "your" loss if the applicable "limit" is less than the product of the specified coinsurance percentage times the value of the property subject to the coverage at the time of the loss. Instead, "we" will determine what percentage this calculated product is compared to the applicable "limit" and apply that percentage to the loss after application of the Deductible. The resulting amount or the applicable "limit" is the most "we" will pay. "We" will not pay for the remainder of the loss.
 - b. **Income Coverage** – "We" pay only a part of the loss if the "limit" is less than the coinsurance percentage multiplied by the sum of "your" net income (net profit or loss before income taxes), payroll expense, interest, and other continuing operating expenses projected for the 12 months following the inception, or last previous anniversary date of this policy (whichever is later), normally earned by "your" "business". "Our" part of the loss is determined using the following steps:
 - 1) multiply the coinsurance percentage by the sum of "your" net income (net profit or loss before income taxes), payroll expense, interest, and other continuing operating expenses projected for the 12 months following the inception, or last previous anniversary date of this policy;
 - 2) divide the "limit" by the figure determined in 1. above;
 - 3) multiply the total amount of loss by the figure determined in 2) above."We" pay the amount determined in 3) above or the "limit", whichever is less. "We" do not pay any remaining part of the loss.

Coinsurance does not apply to coverage for extra expense.
5. **Insurance Under More Than One Coverage** – If more than one coverage of this policy insures the same loss, "we" pay no more than the actual claim, loss, or damage sustained.
6. **Insurance Under More Than One Policy** – "You" may have another policy subject to the same plan, "terms", conditions, and provisions as this policy. If "you" do, "we" will pay "our" share of the covered loss. "Our" share is the proportion that the applicable "limit" under this policy bears to the "limit" of all policies covering on the same basis.
- If there is another policy covering the same loss, other than that described above, "we" will pay only for the amount of covered loss in excess of the amount due from that other policy, whether "you" can collect on it or not. But "we" will not pay more than the applicable "limit".

ADDITIONAL CONDITIONS

- 1. **Suspension** – When any "covered equipment" is discovered to be in, or exposed to a dangerous situation or condition, any representative of "ours" may immediately suspend the insurance coverage against loss from an "accident" to that equipment. The suspension will not apply to any other covered peril under any other coverage part.

"We" can do this by mailing or delivering a written notice of suspension to "your" address as shown in the declarations, or at the address where the "covered equipment" is located. Once so suspended, "your" insurance can be reinstated only by written notice from "us". If "your" insurance is so suspended, "you" will get a pro rata premium refund. But the suspension is effective even if "we" have not yet offered or made a refund.
- 2. **Jurisdictional Inspections** – If any property that is "covered equipment" under the Equipment Breakdown Coverage requires inspection to comply with state or municipal boiler and pressure vessel regulations, "we" agree to perform such inspection on "your" behalf.

Coverage provided under this coverage part is also subject to the "terms" and conditions in the Commercial Output Program - Property Coverage Part under the sections titled Agreement, Definitions, Property not Covered, Perils Excluded, What Must be Done in Case of Loss, How Much We Pay, Loss Payment, and Other Conditions.

The terms and conditions of your policy are amended as indicated below.

A. SPOILAGE COVERAGE

"We" cover direct physical loss of or damage to "perishable stock" due to "spoilage" caused by a covered peril described below and while at a "covered location".

COVERED PERILS

"We" cover risks of direct physical loss caused by the following perils unless the loss is caused by a peril that is excluded.

- 1. Refrigerant Contamination** – "We" cover loss of "perishable stock" due to refrigerant contamination from the release of refrigerant, including but not limited to ammonia. However, "we" do not cover loss of "perishable stock" due to refrigerant contamination from the release of refrigerant, including but not limited to ammonia, which is caused by or resulting from an "accident" to "covered equipment". For purposes of this endorsement, the term "covered equipment" includes "computers".
- 2. Power Disruption** – "We" cover changes in temperature or humidity resulting from:
 - a. complete or partial lack of electrical power; or
 - b. fluctuation of electrical currentdue to conditions beyond "your" control, except we do not cover loss caused by or resulting from an "accident" to equipment owned by a utility who provides "you" with electrical power. The equipment must meet the definition of "covered equipment" except that it is not covered property. For purposes of this endorsement, the term "covered equipment" includes "computers".

LIMIT OF INSURANCE

The most we will pay under this endorsement for all loss to "perishable stock" resulting from one occurrence is \$25,000, unless a different limit of insurance is selected in the above Schedule.

COVERAGE EXTENSION

When the Commercial Output Program – Income Coverage Part is made a part of this policy, "we" also pay loss of earnings and/or the necessary extra expenses that "you" incur caused by a peril described above under Covered Perils up to the Limit of Insurance set forth above for loss to "perishable stock". The Limit of Insurance for this Coverage Extension is included within and not in addition to the Limit of Insurance set forth above for loss to "perishable stock".

PERILS EXCLUDED

The following additional perils are added to the Perils Excluded section of the Commercial Output Program Property and Income Coverage Parts.

"We" do not pay for loss or damage that is caused by or results from one or more of the following excluded causes or events:

- a. **Disconnection or Deactivation** – "We" do not pay for loss caused by the disconnection of the refrigeration system from the source of power, or the deactivation of electrical power caused by turning off a switch or other device used to control the electrical current or power.
- b. **Glass Breakage** – "We" do not pay for loss caused by the breakage of any glass that is a permanent part of the refrigeration system.
- c. **Inability to Provide Sufficient Power** – "We" do not pay for loss caused by:
 - 1) the inability of an electrical utility company or other power source to provide sufficient power due to governmental order or lack of fuel; or

BUSINESS PERSONAL PROPERTY

- 1 Covered Business Personal Property –**
 Covered business personal property means "your" business personal property in buildings or structures at a "covered location" or in the open (or in vehicles) on or within 1,000 feet of a "covered location". This includes:

- "We" also cover "your" interest as a tenant in undamaged improvements that "you" lose because "your" lease has been canceled by the lessor as a result of damage to the building or structure "you" occupy but do not own. The damage to the building must be caused by a covered peril;

Unless otherwise indicated, the coverages provided below are part of and not in addition to the applicable "limit" for coverage described under Property Covered.

The "limit" provided under a Coverage Extension cannot be combined or added to the "limit" for any other Coverage Extension or Supplemental Coverage including a Coverage Extension or Supplemental Coverage that is added to this policy by endorsement.

The following coverage extensions are not subject to and not considered in applying coinsurance when coinsurance conditions are added to this coverage.

1. **Consequential Loss** – "We" pay for "your" consequential loss of undamaged business personal property. Consequential loss means the loss of value of an undamaged part or parts of a product which becomes unmarketable. It must be unmarketable due to a physical loss to another part or parts of the product caused by a covered peril.
2. **Debris Removal** – "We" pay the cost to remove the debris of covered property that is caused by a covered peril. This coverage does not include costs to:

"We" do not pay any more under this coverage than 25% of the amount "we" pay for the direct physical loss. "We" will not pay more for loss to property and debris removal combined than the "limit" for the damaged property.

COVERAGE EXTENSIONS

The following Coverage Extensions indicate an applicable "limit". This "limit" may also be shown in the "schedule of coverages". If a different "limit" is indicated in the "schedule of coverages", that "limit" will apply instead of the "limit" shown below.

However, "we" pay up to an additional \$50,000 for debris removal expense when the debris removal expense exceeds 25% of the amount "we" pay for direct physical loss or when the loss to property and debris removal combined exceeds the "limit" for the damaged property.

"We" do not pay any expenses unless they are reported to "us" in writing within 180 days from the date of direct physical loss to covered property.

3. **Emergency Removal** – "We" pay for any direct physical loss to covered property while it is being moved or being stored to prevent a loss caused by a covered peril. This coverage applies for up to 365 days after the property is first moved, but does not extend past the date on which this policy expires.

4. **Emergency Removal Expenses** – "We" pay up to \$5,000 for "your" expenses to move or store covered property to prevent a loss caused by a covered peril. This coverage applies for up to 365 days after the property is first moved, but does not extend past the date on which this policy expires.

The "limit" for Emergency Removal Expenses is separate from, and not part of, the applicable "limit" for coverage described under Property Covered.

5. **Fraud and Deceit** – "We" pay up to \$5,000 for "theft" of covered property when "you", "your" agents, customers, or consignees are fraudulently induced to part with the covered property:

6. **Damage From Theft** – "We" cover direct physical damage caused by "theft" or attempted "theft" to:

7. **Off Premises Utility Service Interruption**

- a. **Coverage** – "We" cover direct physical loss or damage caused by the interruption of an off premises utility service when the interruption:
 - 1) results in the direct physical loss or damage to covered property located at a "covered location"; and
